INTERVIEW WITH *THOR* WRITER JASON AARON & ARTIST MIKE DEL MUNDO

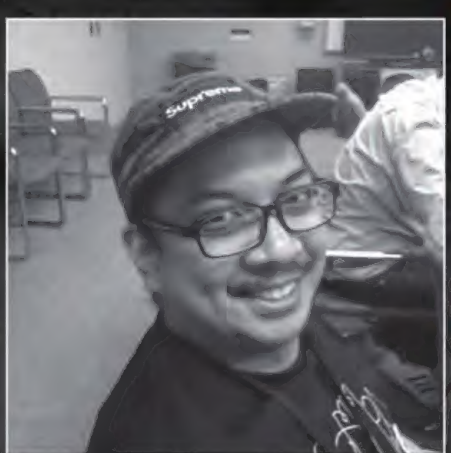
JASON, WHAT EXCITES YOU ABOUT THIS NEW THOR STORY, GIVEN YOUR HISTORY WITH THE CHARACTER?

JASON AARON: On the one hand, this is the next big chapter of the overall Thor saga I've been telling for six years now. But on the other hand, this is a completely different kind of Thor story than I've done before. Different setting, different guest stars, different sort of tone. Not to mention a completely new status quo for Thor Odinson. And then there's the amazing art of Mike del Mundo. We did some crazy, fun stuff on *Weirdworld* together, and this series definitely takes all that up a notch.

MIKE, ARTISTICALLY, WHAT ARE YOU EXCITED TO BRING TO THE CHARACTER?

MIKE DEL MUNDO: I had so much fun working with Jason on *Weirdworld*, I almost want to continue that adventure and art approach with *Thor*. I think artistically I'm gonna flex some muscle and experiment a lot with various art styles from simple to detailed depending on how the story allows for it.

HOW DOES THIS STORY IMPACT THE LARGER MARVEL UNIVERSE?



JASON AARON: Thor Odinson has reclaimed his mantle, but now he's facing a completely new set of challenges, in the midst of a very different landscape. What hasn't changed is the War of the Realms, which is still raging across the Ten Realms and creeping ever closer to Midgard.

TELL US YOUR MOST MEMORABLE MOMENT WHILE WORKING FOR MARVEL COMICS.

JASON AARON: Every issue of *Thor* I've ever written. And the ones I've still got left.

INTERVIEW WITH *TONY STARK: IRON MAN* WRITER DAN SLOTT & ARTIST VALERIO SCHITI

DAN, YOU'RE JUMPING FROM ONE LONG-RUNNING HERO TO ANOTHER – DO YOU FEEL PRESSURE COMING INTO TONY'S STORY?

DAN SLOTT: What I'm most feeling is the excitement of getting to play with a whole new box of toys! I grew up in a world where Spider-Man and the Hulk were TV stars and the biggest things in the Marvel Universe. Now, after 10 years of Marvel Studios blockbusters, this is an all-new era. Every man, woman and child on the planet knows and loves Tony Stark, Iron Man! It's not pressure, it's a privilege to get to tell stories of this modern-day icon–and it's an honor to get to do that with Valerio.

VALERIO, WHAT HAS BEEN THE MOST REWARDING PART OF WORKING ON TONY STARK: IRON MAN?

VALERIO SCHITI: I think the most rewarding part is the assignment itself. It's always a big deal for me to work on these kinds of characters, real icons, legends older than I am. Iron Man was already "invincible" for years when I was just a young kid eager to read his next adventure. And today he is even greater, after all the movies, the TV shows, the toys and the worldwide fame. It is an honor and a huge responsibility for me to help Dan to take Tony Stark in a new era.

HOW DOES THIS STORY IMPACT THE LARGER MARVEL UNIVERSE?

DAN SLOTT: That would be telling. No spoilers. But there's a major new development coming in TONY STARK: IRON MAN that will stake a claim to an important corner/domain of the Marvel U.

TELL US YOUR MOST MEMORABLE MOMENT WHILE WORKING FOR MARVEL COMICS.

VALERIO SCHITI: I have lots of good memories since I started working for Marvel but the craziest one happened during NYCC a few years ago. I was having a live interview on YouTube about GUARDIANS OF THE GALAXY and I was so scared! Of course I was uncomfortable, I was sweating, but I was worried about what I was saying and HOW I was saying it, because I'm Italian and my English might be a little bit weird. At some point they asked me who my favorite Guardian was and I answered Rocket Raccoon. Suddenly I heard a "WHAAAAAT?!" and Michael Rooker broke in! I hadn't seen him, but he was there all the time. We started a strange gag about how Yondu is way better then Rocket and it was very funny, my best interview so far thanks to him. Unfortunately there's no record of it but believe me, it is true!

DAN SLOTT: I've been here too long, there's too many! My first day as a college intern, first time bumping into Stan in the office, going out for pancakes with Gerry Conway, Ryan Penagos setting up a surprise meetup with David Tennant while he was in town filming JESSICA JONES, the guys at our last summit bringing in a Spidey-Cake to celebrate my 10 years on the book. And so many more! I can't choose! I have just had the best time being at Marvel, working on my favorite characters, and alongside these wonderful people.

HORROR HAS A NAME.

You'd never notice the man. He doesn't like to be noticed. He's quiet. Calm. Never complains. If someone were to walk up and shoot him in the head... all he'd do is die.

The horror is THE IMMORTAL HULK.

THE IMMORTAL
HULK
#1

INTERVIEW WITH *IMMORTAL HULK* WRITER AL EWING & ARTIST JOE BENNETT

WHAT'S THE MOST UNEXPECTED THING YOU'VE LEARNED FROM WORKING ON THIS NEW HULK STORY?

AL EWING: I wasn't quite expecting how hungry people are for a horror-themed Hulk! The reaction to this from readers - potential readers at this point - has been pretty phenomenal, so I'm looking forward to when the first issue hits. And I guess the other unexpected thing was how comfortable it'd feel slipping back into horror mode after all these years. It's the genre where I made my start, back when I was just breaking into the British comics scene, and writing it again has been like coming home.

JOE BENNETT: That Hulk would be a great horror character...an entity that can really strike fear into the audiences. The fact that Banner is a mere vessel for all that rage coming to light and he makes justice in a very disturbing way. I love that I can draw a Marvel character...with all sorts of shades and details that a regular super hero book wouldn't let us to do.

HOW DOES THIS STORY IMPACT THE LARGER MARVEL UNIVERSE?

AL EWING: At first, we're deliberately keeping away from the rest of the Marvel Universe, to make this a proper "fresh start" and jumping-on point, where there's no need to read other books to enjoy this one. But as the issues go by, the Hulk will get more and more noticeable, and the Marvel Universe will get more and more involved. And waiting in the wings, we have a new supernatural baddie who might just end up there with the big bads of Marvel Horror.

JOE BENNETT: That question is better answered by Al. But what I want is to draw some Marvel characters (if they come along and appear in the book...) as guest stars on this title and show them in a different light...in the same style that the HULK is now...

TELL US YOUR MOST MEMORABLE MOMENT WHILE WORKING FOR MARVEL COMICS.

AL EWING: I won't mention a specific instance here - these aren't my stories to tell - but occasionally a reader will track me down at a convention and tell me that something I've written for Marvel has helped them in some aspect of their personal life. And that's the best thing to hear, that something you helped to make turned out to be the thing that someone needed.

JOE BENNETT: I had great times doing THE AMAZING SPIDER-MAN 20 years ago... I was very proud to work with Priest on THE CREW 15 years ago... But now THE IMMORTAL HULK is a dream come true. Al's scripts are the best I've worked on in many years. The guy is really fantastic. I can have my old associate Ruy Jose as an inker and he's one of the best guys to be side by side with on a battlefield as it is. I always loved the character, and my father did also... He would be really glad to see me on it. This run will be dedicated in his memory.

40 PGS./PARENTAL ADVISORY ...$4.99

INTERVIEW WITH DEADPOOL WRITER SKOTTIE YOUNG & ARTIST NIC KLEIN

SKOTTIE, THIS IS A CHARACTER WHO HAS A WELL-KNOWN HISTORY AND A PROMINENT ONE AT THAT... HOW [illegible] PLANNING TO MAKE DEADPOOL YOUR OWN?

SKOTTIE YOUNG: By ignoring all of that and just making stuff up. Hahaha. I'm joking. Partially. Gerry and all the artists that have been keeping the Deadpool flame ablaze for so long are leaving us in a great position that I won't ruin here. But it's a wonderful place for me to take all the things we know and love about Deadpool and just tell fun stories. Using the past and forgetting it to serve up the funnest comics I can write and Nic Klein and Scott Hepburn can illustrate. Deadpool is great character in that there's such a wide range of choices for us to be able to make without ever feeling like we're "doing it wrong"...rather doing it our way.

NIC, WHAT HAS BEEN YOUR FAVORITE PART OF WORKING ON THIS BOOK SO FAR?

NIC KLEIN: Aside from Skottie's script, the comedy aspect for sure. I'm German, and Germans are known to be a very funny people (see what I did there? - a joke). Aside from Deadpool's crazy banter, it's a lot of situational comedy and trying to get it to work best using storytelling / camera work / pacing and it's very fun and challenging. I'm a big fan of comedy in comics, and on WINTER SOLDIER we did some abstract comedic stuff, but on DEADPOOL it is celebrated more openly as it is one of Deadpool's trademarks. Also, I got into comics in the '90s... so DEADPOOL, X-FORCE, etc. are what fueled my addiction back then...

HOW DOES THIS STORY IMPACT THE LARGER MARVEL UNIVERSE?

SKOTTIE YOUNG: That will depend on the rest of the Marvel Universe. There's a cosmic-level event about to drop on the world and somehow Deadpool finds himself at the center of it. How Earth and all of its mightiest heroes fare will be up to how deep their pockets are.

TELL US YOUR MOST MEMORABLE MOMENT WHILE WORKING FOR MARVEL COMICS.

SKOTTIE YOUNG: The day the OZ OMNIBUS came out It was over 1,000 pages and took me over five years to complete. There was a very big life that took place in the pages of that book. I lived in three towns, brought two dogs into our life, became a parent, lost a parent and learned more about who I was as a creator than I could have ever hoped.

NIC KLEIN: Just drawing the characters I read as a kid—and that made me want to be a comic artist in the first place—is still a "I can't believe I'm doing this" feeling when I step back for a second and look at myself. Then of course having had the pleasure to work with amazing writers so far, from Rick Remender, Jason Latour, to Jason Aaron, to my longtime friend Skottie Young, I've been spoiled so far!

INTERVIEW WITH *DOCTOR STRANGE* WRITER MARK WAID & ARTIST JESÚS SAIZ

WHAT EXCITES YOU MOST ABOUT THIS NEW DIRECTION FOR DOCTOR STRANGE?

MARK WAID: Taking Stephen off-world and out into a galaxy rife with extraterrestrial sorcerers. The things he sees, the adventures he has, the people he meets, will all form an experience that will leave him a changed man.

JESÚS SAIZ: Well, the fact that he goes into outer space and gets to meet a diverse array of alien races on even more diverse alien planets gives the book an amazing visual range. It's an absolute blast to depict all those strange places and people. Also, who said magic has to look the same in every place in the universe? Even feel the same, maybe Stephen will have to learn to "feel it" again? Anyway, the weirder the better!

HOW DOES THIS STORY IMPACT THE LARGER MARVEL UNIVERSE?

MARK WAID: We really don't spend a lot of time wondering what a Skrull sorcerer or a Cotati sorcerer might look like. This will help inform and flesh out our alien races.

JESÚS SAIZ: I don't know if it does that at all... We take the book to the lost corners of the Universe, so I guess they're not lost anymore. And maybe, just maybe, trying to find magic again to protect Earth, Strange could wake an even bigger threat? It could certainly become a situation where the risk turns to be much, much bigger than the reward.

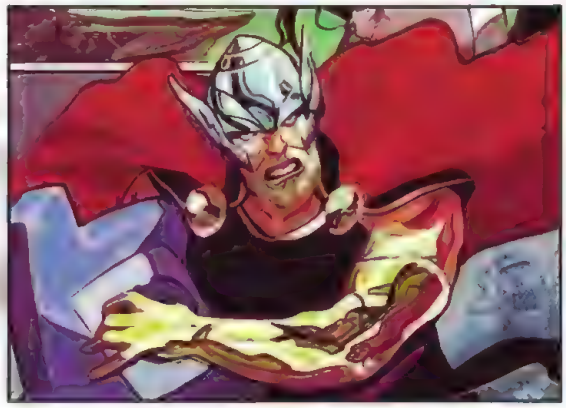
YOUNG GUNS

JUNE 2018

MIKE DEL MUNDO

on drawing the God of Thunder!



INTERIOR ART FROM THOR #1

"A lot of my past projects have allowed me to almost recreate the characters or the worlds, whereas Thor has been touched by so many artists and almost has a blueprint to his speech and body language, so I have to keep that in mind to make sure I don't go beyond the character."

"The villain in this issue is one of my all-time childhood dreams to draw, and now because of Jason, I get to live that out. So I think my favorite moment so far is the epic battle between Juggernaut and Thor. It's short but suuuper sweet!"

INTERIOR ART FROM THOR #1

"I think the main challenge is getting the hang of the feeling of his poses, his expressions and his body language. *There's a lot to think of when dealing with such an established character and I have to make sure where to draw the line and when I should cross it.*"

JUNE 2018

RUSSELL DAUTERMAN

reminisces about
THE MIGHTY THOR

"I absolutely love fantasy and mythology, so THE MIGHTY THOR has been a great fit... With so much of THE MIGHTY THOR centering around conflicts between the Ten Realms, we've gotten to explore that more fantastical side of the Thor world. That's been a big treat."

"I've loved helping to tell Jane's story, doing the design work for all these characters and fantasy worlds, and working with Jason, Matt and the whole team. *I couldn't have asked for better scripts, better colors or better people all-around to work with. THOR has really been a dream project for me.*"

"I tried to add depth to what I'd done before, to flesh out the characters and the world... I tried to push some aspects that I'd been playing with early on, especially the shapes of the panels, the blurred elements, and other effects. That sort of stuff is the most fun for me."

WRITTEN BY CARL POTTS & MIKE BARON
PENCILED BY DAN LAWLIS, CARL POTTS, JIM LEE & ERIK LARSEN
COVER BY JIM LEE

In his relentless war on crime, the Punisher doesn't have many allies. But those he can rely on include…the Shadowmasters! They're the latest in a long line of ninjas who have served as the protectors of Japan's Iga Province for centuries. In the wake of World War II, U.S. Army Captain James Richards and Shadowmaster Shigeru Ezaki forge a friendship in battle. Years later, Ezaki has trained the two men's children — Philip, Sojin and Yuriko — in the ways of the ninja. Together, they must face the reborn menace of the Sunrise Society — which brings them into the murky world of the Punisher! Along with the Black Widow, can they fend off armored Sunrise assassins? Or will the eternal evil plague Frank Castle and the Shadowmasters once again?
